VOL. II. GLENDALE, LOS ANGELES COUNTY, CAL., SATURDAY, OCTOBER 20, 1906. No. 25

PROGRESSION OR RETROGRESSION—WHICH SHALL IT BE?

The editor of this paper has been informed that a movement is on foot to disincorporate Glendale and that those who are at the head of the movement have succeeded in securing a sufficient number of signatures to their petition to call an election.

Whether or not a sufficient number of names have been secured to the petition calling an election for disincorporation we do not know, but we do know that there are about three or four disgruntled individuals in Glendale, who, because they have been unable to have things their own way in this community, are ready to do anything, even to the destroying of the city's bright prospects, in order to show their influence, evil though it may be. One of the leaders in this disincorporation movement is hardly to be blamed for his determination to injure Glendale, as he is somewhat short on intellect, but there are at least two others whose motives for seeking disincorporation arise wholly from spite. These men claim to have a grievance (a personal grievance) against certain city officials, and in order to punish these officials they propose to ruin the whole city.

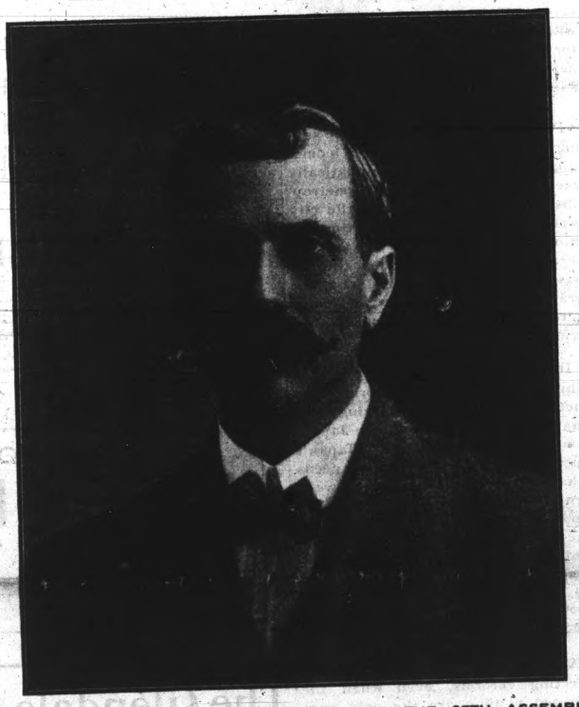
It would seem to a fair minded person that if these gentlemen had just cause for complaint against certain officials that they would come out in the open and make their complaints and if any of the employes or officials of the city are derelict in their duties, the matter could be adjusted without involving the future of Glendale and its citizens. Of course when we say "involving the future of Glendale and its citizens," we only speak of these individuals' desire to injure, for we are very sure that the patriotic, level-headed people of Glendale would overwhelmingly defeat any movement that would tend to retard the growth and prosperity of the town. Disincorporation would kill Glendale as dead as a "door nail," as it would stop improvements and advertise the town abroad as a place where the "kickers rule the roost," and every other progressive community in Southern California would take advantage of our backward step by showing the progressiveness of their own communities under incorporation.

The members of the board of trustees have had many things to contend with in securing improvements for Glendale, such as holidays interfering with legal action, but the main thing in the way was a lack of funds to do with, and that is one of the stumbling blocks at the present time from which there can be no relief until the city taxes are collected in December.

Much preparatory work has been done by the city in establishing grades of streets so that people have been enabled to put down cement walks and curbs, and the work that is soon to be done on Fourth street and on Glendale avenue where these streets are to be graded, oiled and tamped and sidewalks and curbs put down is an evidence of the progressive spirit of the board and those property owners who are helping to secure these needed improvements.

Any man who has property interests in Glendale should be opposed to disincorporation, for such an act would put the town back at least ten years.

The calling of an election would be a needless expense, as we have too many level-headed men in Glendale to allow a few malcontents to ruin the prospects of Glendale, the Queen of the Valley.



E. D. GOODE, GLENDALE, CANDIDATE FOR THE 67TH ASSEMBLY DISTRICT.

E. D. Goode, of Glendale, Democratic and Non-Partisan candidate for the State Legislature in the 67th Assembly District, has resided in this community for more than 20 years. He came here with his bride in 1882 from Taylorville, Illinois, and they have won not only a pleasant home but hosts of friends who rejoice in Mr. Goode's recognition by two political organizations. He has been identified with every progressive step this valley has taken, and as a rule has taken the initiative. He promoted the Glendale electric line when his efforts were scoffed at, but he never wavered in his determination to accomplish the building of the road and now we are all rejoicing at the results. He worked out the details of the organization of the Glendale Union High School, which is composed of seven high school districts. He was also the leading spirit in the incorporation of Glendale as a city and won a victory against great opposition. He has convictions and the courage to back them under all circumstances. He has proven that he can stand alone on a proposition when he believes he is right. He is an enthusiast on education; his oldest daughter Fay, and his oldest son, Ray, having graduated at the Glendale High School in 1904 and 1906. The son is now a student in the Law Department of the University of Southern California. His other daughter, Pearl, is a student at the Glendale High School, while the two younger sons, Leo and Donald, are attending grammar school. Mr. Goode is a charter member of the Glendale Lodge of Independent Order of Odd Fellows and of Carnation Rebekah Lodge of this place, also a member of the Independent Order of Foresters, having membership in Court Hermosa, of Tropico.

He has been a farmer 17 out of 24 years residence in the state and planted many of the orchards of Eagle Rock Valley. He has been road overseer for many years. During this year he has consummated some very large real estate deals. He is also interested in gold mines in the Rosamond Mining District.

He has represented this section as correspondent for the Los Angeles papers for 20 years and has worked hard for the advancement and betterment of this part of the country.

He is right on the railroad question and all other questions pertaining to the advancement and upbuilding of our district, and we doubt if there is another man in the district who is more familiar with all conditions than our candidate. Party lines will be severed in this and adjoining precincts and we believe Mr. Goode will be elected. He has never before been a candidate for any office. He has always been non-partisan in politics, and as this is the first time our valley has ever had a candidate for a state and county office, we feel that we have more than a passing claim on the voters in the 67th Assembly District. We of this community who know Mr. Goode thoroughly, commend him as a candidate for whom all should be proud to cast a ballot.

The 67th Assembly District is composed of the following precincts:

Acton, Burbank, Calabasas, Chatsworth, Delsur, Eagle Rock, Glendale, Ivanhoe, La Canada, La Liebre, Lancaster, Lankershim, Newhall, Palmdale, San Fernando, San Vicente, Sawtelle, Sunland, Santa Monica No. 7, Pasadena precincts from 1 to 12.

When the Non-partisan organization requested Mr. Goode to circulate a petition for the purpose of having his name placed on their ticket, there was only twenty-four hours time in which to secure one hundred and thirty-eight names, but owing to his standing in the community one hundred and seventy-six names were secured in less than twelve hours work.

IMPORTANT BUSINESS CHANGE.

Of importance to the business interests of Glendale is the change that has recently taken place in the management of the Bank of Glendale, and this change is much to Glendale's advantage, as our city is the gainer in having a resident president of this institution.

Mr. F. H. Vesper, of Algona, Iowa, has purchased Mr. J. C. Keyes' interest in the bank and assumes Mr. Keyes' position as president of the institution. Mr. Vesper has had fifteen years' experience in the banking business in Iowa, having been connected with the First National of Algona, the First National of Swea City, the Germania Savings Bank of Germania, and the County Savings Bank of Algona, he having held the position of cashier of the last named bank, of which he is nominally cashier at the present time, as no appointment has as yet been made to fill his place.

Mr. Vesper has purchased a lot in McIntyre's miner tract and as soon as Mrs. Vesper arrives in Glendale they will order the construction of a comfortable dwelling.

Mr. Vesper spent considerable time looking up a location before he finally decided that Glendale suited him best, he having visited every section of Southern California. The selection of Glendale as a location for business and residence by a man of Mr. Vesper's wide experience and sound judgment speaks volumes for this locality's attractiveness and future prospects. Glendale citizens are ever ready to welcome such valuable additions to our city's population.

INTERESTING BIBLE STUDY.

Much interest was manifested in the Bible study held in the chapel of the M. E. Church on Wednesday afternoon conducted by the Rev. T. C. Horton, assistant pastor and Bible teacher of the Immanuel Church of Los Angeles. The subject this week was the "Personality of Satan; His Past Province," a subject "obscure because Satan wills it so." The strong personality of the speaker, his knowledge and magnetism, at once enlists the attention of his hearers. His illuminating, powerful talks, given in such a convincing manner, leave no room for argument and calls for a deep interest in these studies throughout the entire valley.

This Paper is a Member of the Los Angeles County Press Association.

If it is really so than Americans are being driven out of Mexico, it is more than extradition treaties have ever been able to accomplish.

Spain is laughing in her sleeve over our troubles in Cuba and the Philippines. It was a great day for Spain when the United States butted in.

It is sometimes necessary in politics to do something you don't want to do in order to be able to do some other things that you really ought to do.

In Baltimore the courts have fixed the price of kissing another man's wife at one dollar per kiss, the most effective bid of the year for a population boom.

The San Francisco Call facetiously remarks : "If Hearst wins the Governorship of New York we venture to predict that it will be by a majority of not less than $1,000,000."

A public bath house and swimming tank would be welcomed as a great boon by the people of Glendale, and would prove profitable to the promoters of such an enterprise.

Los Angeles is at last awakening to the fact that Glendale is something more than a straggling country village, which leads us to the conclusion that our metropolitan neighbor is not entirely asleep.

Now that the wearing of monocles in the British army is being discontinued, the advocates of total abstinence will no doubt rejoice in the knowledge that even one glass is considered too much there.

The Santa Ana Bulletin says that it is proudly announced that the new street car fenders in Los Angeles have saved over a dozen lives in a month, but wants to know how about the conditions which make so many thrilling rescues necessary.

Many eastern ministers are advocating the establishment of a "community parlor" in every church, where people who have no suitable places of their own in which to receive their friends may go and gossip. A very good idea.

It is announced that Gov. Pardee aspires to succeed Senator Perkins. The Governor's ambition is a laudable one, but we would remind him that it will be necessary to conspire much and perspire more to circumvent the wily Perkins.

The open season for duck and quail was ushered in Monday but so far we have no tangible evidence that local nimrods observed the day. At any rate we feel safe in the assertion that none of them fractured the law in the massacre beyond the bag limit.

We are satisfied that no town in Southern California, or in the state for that matter, can show greater building improvements than Glendale is enjoying. Our population is also growing by leaps and bounds, and the future of our beautiful little city is assured. Let us "stand pat," one for all, all for one.

Shafter and Taft have been sent in turn to quell Cuban disturbances, which leads to the very natural inference that the "Queen of the Antilles" is strictly in the heavyweight class. Enterprising fight promoters will now look to Cuba as a last chace for that other distinguished American heavy-weight, the unconquerable Mr. James J. Jeffries of Burbank.

Poor old San Francisco! The saying that misfortune never comes single is being most emphatically exemplified in the northern metropolis. Before the earthquake the city was in the hands of a grafting administration controlled by an unscrupulous boss, since then the city has been simply pillaged by the grafters, while footpads and murderers are holding a high carnival of crime.

It is not at all improbable that China will astonish the world by a metamorphosis no less amazing than that so recently achieved by Japan. Among minor indications that Japan's success in applying to her own needs whatever she found useful in western civilization has not been lost upon her reactionary neighbor are the statements that high China officials have discarded the queue and that the Empress Dowager has issued an edict abolishing the fashion of foot-binding among Chinese women. Keep your eye on China.

Assassination is a futile means of effecting reforms, even when the selected victims are the only ones injured, but when the innocent children and servants of high Russian authorities are killed and maimed by bombs, all humanity should protest. We are unable to see any sign of fitness for the direction of affairs in advocates of bomb throwing. The Russian terrorist no doubt has his grievances in abundance. He is not to be blamed that he chafes under his burdens; but when he fights with his chosen weapons and makes war upon the innocent along with those he has condemned, he forefits the right to consideration, and observers change from a sympathetic mood to one of hope that so ferocious a creature shall fail in the attempt to get more power into his own bloody hands.

LOCAL AND PERSONAL.

Mrs. Fred Hezmalhalch and children are visiting in Los Angeles for a few days.

Miss Helen Barager recently entertained at dinner friends from Long Beach.

An informal dance will be given in the Masonic Hall Friday evening, Oct. 19th, by the Fraternal Brotherhood, after their regular meeting.

A matched game of basket ball between the Glendale Grammer School team is contemplated, to take place in the rink in the near future.

John Fishel, Alfred Hezmalhalch and Frank Bowman went to San Diego Friday and returned Monday. They took in all the sights.

Mr. D. W. Armstrong, representing New York capitalists, has been spending a portion of the past week with C. E. Parker at Somerset Farm.

Mrs. Rolf Byram, of Los Angeles was the guest of Miss Ruth Byram Monday. Mrs. Byram's health is much improved since her residence in the city.

Mrs. M. V. Colburn spent Saturday and Sunday in Los Angeles, visiting Mrs. Arthur Salsbury; and also her brother, Mr. Henry Bassingthwaite, of Bay City, Michigan.

Mrs. C. N. Peck, who was indisposed for a few days, is again able to meet her friends and to be out among her beautiful flowers in the bright California sunshine.

Think this over, Mr. and Mrs. Taxpayer. Put the cross against the name of Ben E. Ward, and let us have this money put into the treasury by the corporations for the benefit of the balance of the taxpayers. 25-1t

Mr. Ezra F. Parker, who has been visiting several weeks in Illinois, returned to his home Sunday. Mr. Parker had a very enjoyable trip, but is glad to be in Glendale again.

If you want to vote for Ben E. Ward, don't put cross in circle at head of Republican column. This will not be a vote for Ben Ward. His name is elsewhere on the ticket. Be sure you find it. 25-1t

Among many fine specimens of fruit and vegetables grown this past season by Mr. J. C. Sherer, perhaps none were more remarkable than a fine tomato, which weighed just exactly one and one-half pounds.

Mrs. Dr. Hunt has been indisposed the past week, and her friends miss her from social circles. Club ladies are waiting to welcome her among them, as she is one of the new officers elected for the ensuing year.

The Overton Realty Co. report the sales of two lots in the Glendale Orange Grove Tract to Mrs. C. A. Catlin for $450 each. Also a lot in the same tract to Laura J. Bruce for $450. The demand for good lots is increasing.

Do you realize that four years more of Ben Ward in the Assessor's office will mean a million and a half in coin for taxes that the corporations hope to escape if they can get control of the County Assessor's office this election.

Mrs. Nellie Bogg and son John were the guests of Mrs. E. T. Byram in the early part of the week. Mrs. Bogg, who has been living in Vermont, has decided to again take up her residence in the West, and during the coming winter will live in Los Angeles.

Don't forget that voting the straight Republican ticket will not be a vote for Ben E. Ward for County Assessor. The G. O. P. (good old push) are banking on the voter being fooled on this point. First put the cross against his name to be found elsewhere on the ticket. 25-1t

Invitations are out for a social affair to be given by the P. E. O. Ladies of Chapter L., Glendale, on Saturday afternoon, October 20th, at Masonic Hall, Brand boulevard, from 2:30 to 5.

Miss Ida M. Waite entertained as house-guest Miss Nora Harnett of Long Beach over Saturday and Sunday, to the delight of Miss Harnett's many friends here, where she so endeared herself when she was teaching in Glendale.

Mrs. Chapman of Chicago is with her mother, Mrs. Richard Dell Lamson, of Third street, accompanied by her two little children. Mrs. Chapman was called here by the sad news of the illness of her grandmother, Mrs. Baldwin, whose life has been despaired of for several days past.

The new store built by T. W. Watson, next to his new block on Fourth street, is about completed, and will be ready for occupancy about November 1st. It will be occupied by G. H. Barager with a full line of furniture. The room is a large one, being 28x54, and will be airy and well lighted.

News arrives that Mr. Elias Ayres will start for home on Tuesday, Oct. 23rd. Business, and a wish to see a precious great-grand-daughter, little Esther Hartman, just seven months old, called Mr. Ayres east. He has been absent about four weeks and has been visiting mostly in Lewisburg and Dayton, Ohio.

In the absence of the pastor, the pulpit of the Presbyterian church will be filled on the 21st by the Rev. Theodore Hopping, both morning and evening. Mr. Hopping is our fellow citizen having lately completed a house in the Valley View Tract. We hope that many will take this opportunity to hear him preach.

NOTICE OF SALE OF ELECTRIC RAILROAD FRANCHISE.

Notice is hereby given that application has been made to the Board of Trustees of the City of Glendale, in the County of Los Angeles, State of California, for a certain franchise granting the right to construct, maintain and operate, for the term of fifty years, an electric railroad upon certain public streets in the said City of Glendale, hereinafter described, together with certain appurtenant and incident rights hereinafter mentioned, and that it is proposed by the said Board of Trustees to grant the same upon the terms and conditions hereinafter mentioned; that said franchise is described as follows, to-wit:

A franchise to construct, maintain and operate for the period of fifty years an electric railroad for the transportation of passengers, to be single or double-track in whole or in part, at the option of the grantee thereof, or his or its successors or assigns, over the route and along and upon the streets or portions of said streets in said city described as follows, to-wit:

Commencing at the intersection of Fourth Street and Brand Boulevard in the City of Glendale; thence easterly along Fourth Street to Glendale Avenue.

Together with the right to construct curves and switches, and spur tracks into private property, also connections at street intersections, power houses and all other appliances, property, structures and attachments that may be necessary for the purpose of operating said road and enabling it to be as effective as the best electric railroad; provided, however, that no spur track into private property shall be built within five hundred (500) feet of any spur track already constructed under said franchise without first securing proper consent of the Board of Trustees of the City of Glendale.

That the terms and conditions upon which said franchise will be offered for sale and granted are the following, to-wit:

First. That the railroad to be constructed and operated under said franchise shall be used for the transportation of passengers, baggage, United States mail, express matter and such other commodities as can be conveniently handled by an electric railroad, provided that cars other than closed ones of a neat and attractive design shall only be conveyed over said road between the hours of 10 p.m. of each day and 6 a.m. of the following day; also such material as is used in the construction and maintenance of railways.

That the tracks to be laid under said franchise shall be placed as near equi-distant from the center of the street as possible, and where said road is double-tracked, as near each other as a proper regard for safety will allow.

Second. That said grantee or his or its successors and assigns shall use good material in the construction of said road and said road shall be built in a good and workmanlike manner, and that said grantee and his or its successors and assigns shall at his, its or their own cost and expense oil and re-oil, pave or macadamize the said road between the rails, between the tracks and for two feet on each side thereof, with the same material used for the city and under the same specifications and in the same manner as upon the streets over which said roads are respectively, and shall keep the same constantly so paved or macadamized and in repair flush with said streets and provided with suitable crossings, and shall make the roadbed conform at all times to the established grade of said streets; provided, however, that where any of the above-named streets have been graded or otherwise improved prior to the granting of said franchise, said roadbed and rails shall conform to and be flush with the surface of said graded or otherwise improved street or streets, whether such surface be above or below the official grade of said street or streets, and on all other street or streets the said roadbed and rails shall conform to such official grade as aforesaid.

In case the said grantee or his or its successors and assigns, shall fail to comply with the instructions given for said repairs for ten days after service of notice thereof upon the Superintendent or Manager of said electric railroad, then the Board of Trustees of the City of Glendale may, with suitable assistance, enter upon said electric railroad, or any portion thereof, and do the work and furnish the proper material and keep an itemized account of the cost thereof, which said grantee, or his or its successors or assigns, by the acceptance of this franchise agrees to pay immediately to the Treasurer of the City of Glendale upon the presentation of the account to the Superintendent or Manager of said electric railroad.

Provided, further, that cars shall be run over the road constructed under said franchise every day, unless prevented by the elements, riots, strikes, or unavoidable causes; provided, also, that cars shall be run over and upon said road at intervals of not more than one (1) hour from 7 o'clock a. m. until 10 o'clock p.m. of each day, and as much oftener as may be necessary to properly accommodate all persons who apply for transportation over said road, except in times of extraordinary and unforeseen amounts of travel.

Provided, further, that said grantee and his or its successors and assigns shall have the right to excavate and remove portions of said streets necessary to properly construct said road and to erect needful apparatus, boilers, engines and other appliances to properly equip and run said road; provided further, that the City of Glendale, in granting said franchise, expressly reserves the right to pave, macadamize, renew or sewer any of said streets, or to lay gas, water or other pipes therein; said work to be done so as to injure said road as little as possible.

It is further provided that said grantee, and his or its successors and assigns, shall construct all necessary flumes and culverts for the free passage of water under the tracks of said railroad whenever and wherever necessary, and that all such flumes and culverts shall be constructed in accordance with plans and specifications approved by the City Engineer.

Third. That the grantee of said franchise and his or its successors or assigns, shall and will at all times upon and after the completion of said road, during the operation of the same, and without extra charge, issue to and receive from passengers going in one direction, transfers good for one continuous passage over and upon any and every other line and lines or any other road or roads operated entirely within the said city, which said grantee or his or its successors or assigns does now, or may hereafter, own, control, operate or have a controlling interest in, and provided, as further condition, that said grantee, and his or its successors or assigns, shall and will at all times as aforesaid, issue, or cause to be issued to said passengers, without extra charge, a similar transfer from any and every other line or lines operated entirely within the said city, which said grantee, or his or its successors or assigns, does now or may hereafter own, control, operate or have a controlling interest in, as aforesaid, to, over, and upon the road operated and maintained under said franchise.

Fourth. That the rate of fare for any distance within the city limits over said road or its branches one way in the same direction shall not exceed five cents per one passenger; that persons under the age of eighteen years who attend the public schools of said city shall be required to pay but half fare; provided that said pupils shall purchase their tickets in quantities of at least one dollar's worth at a time, such tickets to be available only between the hours of eight a.m. and six p.m., in actual passage to and from school, and the said grantee and his or its successors and assigns, shall sell such tickets whenever requested so to do, when schools are in session, by a pupil who shall present a certificate from a teacher, approved by the principal of such school, that he or she is a pupil of the said school; provided, further, that said grantee, his or its successors or assigns shall carry free on said cars the City Marshal and deputies, and all regular police officers, and firemen of said city, when on duty, and the Board of Trustees and letter carriers, subject at all times to the rules of the road.

Fifth. That the person, partnership, or corporation to whom said franchise is granted or awarded, his or its successors or assigns, shall, during the life of said franchise, pay to the City of Glendale, in lawful money of the United States, two per cent of the gross annual receipts of said grantee and his or its successors and assigns, arising from the use, operation, or possession of said franchise, but no percentage shall be paid for the first five years succeeding the date of this franchise, but thereafter such percentage shall be payable annually, and said franchise is to be forfeited by failure to make the payments provided for, and it shall be the duty of the grantee of said franchise, his or its successors and assigns, to file with the City Clerk of the City of Glendale, at the expiration of six years from the date of granting of said franchise, and at the expiration of each and every year thereafter, a statement, verified by the oath of said grantee, his or its successors or assigns, and by the oath of the manager or presiding officer of said grantee, or his or its successors or assigns, showing the total gross receipts or gross earnings collected or received by the said grantee, his or its successors or assigns, during the preceding twelve months, and within ten days after the time for filing such statement it shall be the duty of said grantee, his or its successors or assigns, to pay to the City Treasurer of the said City of Glendale the aggregate sum of said percentage upon the amount of the gross annual receipts arising from the use, operation or possession of said franchise.

Provided, that if the road for which said franchise is granted shall be an extension of an existing system of railroad, then the gross receipts shall be estimated to be one-half of the proportion of the total gross receipts of said system which the mileage of such extension bears to the total mileage of the whole system, and said estimate shall be conclusive as to the amount of the gross receipts of said extension.

Sixth. That the work of constructing said road shall be commenced in good faith within not more than four months from the date of the granting of said franchise, and shall be prosecuted thereafter in good faith and without unnecessary or avoidable intermission or delay, and that said work of construction shall be completed within not more than three years thereafter, and if said work be not so commenced, prosecuted and completed within the times, or in the manner specified, such franchise shall be forfeited.

Seventh. That all poles used in the construction and operation of said electric road shall be placed within the curb line of the streets herein designated as officially established by the Board of Trustees of the City of Glendale, and the outer edge of poles shall in all cases be set as near the inner edge of the curb as practicable, when not otherwise directed by said Board of Trustees, and the wires suspended from said poles shall not at any point be less than nineteen (19) feet above the top of the rail; said poles shall be smooth, straight, and painted in uniform color.

That any neglect, failure or refusal to comply with any of the conditions of said franchise, shall thereupon immediately, ipso facto, effect a forfeiture thereof, and the said city, by its Board of Trustees, may thereupon declare said franchise forfeited, and may exclude said grantee, or his or its successors and assigns, from further use of the streets of said city, under said franchise, and said grantee and his or its successors and assigns, shall thereupon and immediately surrender all rights in and to the same, and said franchise shall be deemed and shall remain null, void and of no effect.

Notice is also hereby given that sealed bids in writing will be received for said franchise up to 7:30 o'clock p.m. on the 5th day of December, 1906; that the bids received will be opened at that time; that all bids must be for the payment of a stated sum in gold coin of the United States; and that the franchise will be struck off, sold and awarded to the person, firm, or corporation who shall make the highest cash bid therefor; provided, only, that at the time of opening said bids any responsible person, firm, or corporation, present or represented, may bid for said franchise a sum not less than ten per cent above the highest sealed bid therefor, and that said bids so made may be raised not less than ten per cent by any other responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold, and awarded by said Board of Trustees to the highest bidder therefor in gold coin of the United States. Each sealed bid must be accompanied with cash or a certified check, payable to the City Treasurer of the City of Glendale for the full amount of said bid, and no sealed bid will be considered unless said cash or check is enclosed therewith, and the successful bidder must deposit, at least ten per cent of the amount of his bid with the City Clerk before said franchise will be struck off to him, and if he shall fail to make such deposit immediately, his bid will not be received, and will be considered as void, and said franchise will then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure will be had until said franchise is struck off, sold, and awarded to a bidder who shall make the necessary deposit of at least ten per cent of the amount of his bid as herein provided. Said successful bidder shall deposit with the City Clerk, within twenty-four hours after the acceptance of his bid, the remaining ninety per cent of the amount thereof, and in case he or it fails to do so, then the said deposit theretofore made will be forfeited and the award of said franchise will be void, and said franchise will then and there, by said Board of Trustees, be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided, and in case said bidder fails to deposit with the City Clerk the remaining ninety per cent of his bid within twenty-four hours after its acceptance, the award to him of said franchise will be set aside, and the deposit theretofore made by him will be forfeited, and no further proceedings for the sale of said franchise will be had until the same shall be re-advertised for sale.

Notice is also hereby given that the successful bidder for said franchise must, within five days after said franchise is awarded to him, or it, file with the Board of Trustees, a bond running to said city in the penal sum of fifteen hundred dollars, with at least two good and sufficient sureties, to be approved by said Board of Trustees, conditioned that said bidder shall well and truly observe, fulfill and perform each and every term and condition of said franchise, and that in case of any breach of condition of said bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages, and shall be recoverable from the principal and sureties upon said bond. If said bond be not so filed, the award of said franchise will be set aside, and any money paid therefor will be forfeited.

By order of the Board of Trustees of the City of Glendale made at a regular meeting of said Board on the 10th day of October, 1906.

G. B. WOODBERRY,
City Clerk of the City of Glendale.

"A SQUARE DEAL FOR EVERYBODY."

—Theodore Roosevelt.

Eight hundred and thirty-seven delegates, elected at regular caucuses and primary elections by 30,000 voters, nominated the Republican ticket.

One man appointed a committee of fifteen, which selected the so-called non-partisan ticket.

There is no Democratic county ticket.

Vote the Republican ticket by stamping a cross in the circle at the head of the Republican column.

TROPICO.

Biddle & Harrison are selling for cash, now. Try them for prices.

Mrs. J. C. Newitt and mother from Hollywood spent Thursday with Mrs. E. B. Ellias.

The "500 Club" meets at Mr. and Mrs. W. O. Borthick's home Saturday evening.

E. B. Welton of Los Angeles, is spending some time with his brother, H. H. Davenport.

Mrs. W. A. Thompson gave a luncheon Tuesday afternoon. The guests were: Mmes. Hobbs, Logan, Brewster, Bullis, Davenport and Welton of Los Angeles.

The dancing party given in Logan Hall by J. Rice, Victor Lamont and Ed Ayres proved these gentlemen excellent entertainers. The refreshments served were an enjoyable addition to the evening's pleasure.

If you want your meat delivered promptly call up the Tropico Market.

Plans are being formulated for having an electric light on Tropico avenue by a few progressive families who do not enjoy dark streets. It is earnesty hoped that this good example will be followed by others.

A woman's club is being organized to study art, ancient history, child study, science and research. Topics of deep and vital interest will be introduced from time to time. The terse maxim, "Think for yourself," will be the keynote adopted for the winter's work.

Mr. and Mrs. Krit Cole spent Sunday and Monday with their daughter, Mrs. William Gould of Burbank. After enjoying a quail dinner at the Gould residence Mr. and Mrs. Hal Davenport brought them back to Tropico Monday evening in their auto.

Buy your meat at the Tropico Market if you want to help build up Tropico.

Even a stranger can see what the Improvement Society is doing for Tropico. It is a positive pleasure to note the plans already under way for beautiful streets, fine lawns and flower displays. Building operations, too, are progressing in a way that is decidedly satisfactory.

The recently organized Skiddo Club met Saturday evening at the home of Mr. and Mrs. John H. Seaman. The members of this jolly club thoroughly believe in enjoying themselves, as they meet one week for a social good time and on alternate weeks go to the city to attend the theatre, after which a fine supper is enjoyed.

On account of the amount of work to be discussed the ladies of the M. E. Church held an extra meeting Monday at the home of Mrs. C. C. Chandler. The ladies are planning and working for a large entertainment to be given in G. A. R. Hall. There will be a ghost drill among other things, with special music originated by Mrs. Harvey and some bright songs written by that talented lady. There will be a fine supper and a large attendance is expected. This will be one of the most important affairs ever attempted in Tropico, and the ladies are working hard for its success.

The friends of Miss Cora Hickman of Tropico, one of the high officials of the O. E. S., who was on the excursion train which collided with a freight train near San Mateo, are glad to know that she and all the other local people escaped uninjured. Miss Hickman says that all credit is due Engineer L. D. Countermarsh and Fireman C. W. Thorney, who bravely stayed at their posts.

Mr. N. C. Burch, secretary of the Tropico Water company, informs this paper that a mistake was made in our last issue in regard to the change of the company's permanent place of business. The editor of this paper was informed by a stockholder in the company that the place of business had been changed from Tropico to Los Angeles, but Mr. Burch informs us that the place of business cannot be changed, as the articles of incorporation made it compulsory to have the regular place of business at Tropico.

The reception tendered the Rev. Mr. Pittinger at the M. E. parsonage was a fine success, and very satisfactory to the ladies having the affair in charge. A great many people took this opportunity to express their pleasure at the return of the pastor. Mrs. Marple had charge of the musical part of the program. Mr. McKown's address of welcome was splendid, and Mr. Marple's speech, in which he happily alluded to boyhood days, was well received. Later, light refreshments were served.

"Tsalta," the lovely bungalow home of Mrs. Harvey on Tropico avenue, was the scene on Wednesday evening of a very pretty and jolly social event when members of the Rosalie, the Skiddo Club and the Business Woman's Association were entertained. Never so happy as when dispensing hospitality, this charming and vivacious hostess proved that her evening had been successfully planned, so that departing guests declared this to be one of the merriest events of the season.

Did you ever pay a bill a second time because you had no receipt?

Keep your money in Bank of Glendale, pay by check, and have a receipt. 25 2t

It is reported that the county is to be flooded with printed matter showing some "Fax and Figgers" in the next two weeks. You may get some of it through the mail telling you what "awful things" have happened in the last four years' of my administration; that same will be repeated if Ben E. Ward is re-elected. Just remember the boodle that was furnished by the Life Insurance Companies and other corporations in New York and elsewhere for "Corruption" purposes. The same condition exists in certain quarters here. This is the source of all this "calamity howl" about this office. They want Ben Ward's scalp and the assessor's office. Will you give it to them? We guess not. Vote for Ben E. Ward for county assessor and you will get a "square deal." 25-1t

LAYING OF GAS PIPES.

Sealed bids addressed to Samuel Mock, Secretary of the California Circuit Gas Company, for laying of gas pipes along a portion of Fourth street, a portion of Glendale avenue and a portion of Second street, in the City of Glendale, will be received at the office of Samuel Mock, 501 Chamber of Commerce Building, Los Angeles, California, up to 2:30 on MONDAY, OCTOBER 15th, 1906.

Plans and specifications of the work may be obtained from A. B. Waddingham, engineer, at 208 Tajo Building, Los Angeles, California.

Each bid must be accompanied by a Certified Check, payable to Samuel Mock, or cash deposited for a sum equal to two per cent (2 per cent) of the total amount, which will be subject to forfeiture in case of failure on the part of the successful bidder to enter into a Written Contract with approved sureties if called upon to do so.

The California Circuit Gas Company reserves the right to reject any or all bids, or to accept any bid which may appear advantageous to said Company. 23-4t

LOCAL AND PERSONAL.

Go to Chas. E. Stanley & Co., for bargains in real estate.

E. B. Riggs and family, who have been spending the past week at La Crescenta, returned home Wednesday.

The city trustees met on Wednesday evening, but adjourned for lack of a quorum, Trustees Parcher, Jennings and Watson being unavoidably absent.

The women of the W. C. T. U. express their most hearty thanks to all persons who contributed to the fund for placing a memorial window to Frances E. Willard in the new M. E. Church.

Go to Chas. E. Stanley & Co., for bargains in real estate.

At the Baptist Church Sunday at 11 a. m., Pastor Stone's subject will be "First Steps in a Kingdom Building." At 7:30 p. m., "The Gift of Peace." A hearty greeting for strangers. Do not hurry away at the close of the service.

The Standard Bearers will hold their regular monthly meeting on Friday afternoon, October 26, at 4 o'clock, in the Sunday school room of the M. E. Church. All members are requested to be present. A good program will be rendered.

Go to Chas. E. Stanley & Co., for bargains in real estate.

Miss Helen Stuart, who has been entertained as house-guest at the home of Mrs. Albert Cornelius Andersen for several days, has returned to Los Angeles. Miss Stuart is well known here, where she has often visited and where she has a host of admirers.

Mr. E. S. Comstock has just finished a little place for temporary residence on the rear of his lots in McIntyre's miner tract, which has been christened "The Nutmeg." Mr. Comstock is to establish a real estate office with us, he having purchased the building just north of the Glendale News office, now occupied by the jewelry business of Mr. Andrew. Mr. Comstock is the kind of business man needed to help make our town grow and we are certainly glad to know that he is to make his peramnent home here and engage in business.

Go to Chas. E. Stanley & Co., for bargains in real estate.

Attorney P. S. McNutt, a resident of Sycamore Canyon and who has extensive property interests in Glendale and the valley, publishes a card in this issue of The News to show his clients and friends the change in his city office address. Mr. McNutt is a graduate of the State College at Edinboro, Pa., is a bachelor of arts from Drake University, Des Moines, Ia., and master of arts from Des Moines College. He received the degree of bachelor of laws from the Iowa College of Law, in which school he was secretary and lecturer for nine years. He is admitted to practice in the highest courts of Iowa, Nebraska and California, in all of which he has had successful practice, as well as in the federal courts, and is able to render the best service in his line of work.

INSTALLATION OF DR. BAER.

A number of Glendale people are anticipating with pleasure the banquet to be given in honor of Dr. John Willis Baer, the new president of Occidental College, at Westminster Hotel, in Los Angeles, at 6 o'clock Friday, October 26, 1906. The banquet will follow the inauguration of Dr. Baer as president of the college.

There will be present many men of prominence, including Dr. David Starr Jordan of Leland Stanford, Jr., University; Dr. Benjamin Ide Wheeler, president of the University of California, and many others of wide reputation. This will make the banquet indeed a notable occasion.

LIBRARY NOTICE.

The Glendale Free Library and Reading Room is open on Mondays, Wednesdays and Fridays from four to six o'clock. tf

Sound Doctrine From "Republican."

Mr. Editor,

The present outlook of Glendale and the San Fernando Valley generally is most encouraging, notwithstanding the persistent efforts of certain Los Angeles officials to appropriate the God-given rights of the land owners in the valley to their constituents, and it becomes the duty of every citizen at this present time to discount any advantages that the future holds in maintaining these rights.

It is one thing to know what rights we do possess, and another thing to stand for them in the event of any invasions. To cope with outside forces that encroach upon our rights and privileges we need first of all unity, and a "pull all together."

We need our best men to the fore to champion our cause. Men who have been "tried" and not found "wanting."

We are soon to elect a man to represent us in the State Legislature, where this water question and possibly others scarcely of less importance will come up.

Can we afford to place such responsibilities as this water question—laws regulating the conduct of our schools—of building and maintaining good roads, and other matters of like importance, upon a man to represent us who is not familiar with every detail of these subjects?

Is it not our duty as citizens of this assembly district to unite on a man whose past record and experience has clearly proven his ability to present these claims in a masterly manner. Whose hands are clean, and who will consider the welfare of his district far above any personal considerations of his own or partisan methods?

Mr. E. D. Goode has received the nomination in the Democratic caucus for the office of assemblyman in this district, and I believe also has the requisite number of signers to have his name placed on the Non-Partisan ticket. Although the writer is not a Democrat, I feel that the present situation urges the election of a man regardless of party lines, and I believe the above qualifications are pre-eminent in the person of Mr. Goode, for whom I shall be pleased to vote.

A REPUBLICAN.

VISITING CHILDHOOD SCENES AND FRIENDS.

J. L. Overton writes from Fulton, Mo., that he is having a most delightful visit. The weather has been superb. A little snow has fallen and the mornings are frosty; but no rain yet.

It has been twenty years since Mr. Overton visited his old home and the meeting of old-time friends is a source of great pleasure to him. He has visited the old farm where he was born 71 years ago, climbed the hills and hollows that he used to climb when a boy of ten, wandered through the old house, picked apples from trees he planted 50 years ago, talked to the children in the school on the changes in the past twenty years and told of the pranks committed in the old log school house; was introduced to the church into which he was baptized and spoke of the changes in a score of years and of the many who had gone beyond.

While in Sedalia, Mo., Mr. Overton had the honor of dining with Governor Folk and wife, who were guests of Joseph Rodes, a cousin, and heard Governor Folk as well as ex-Governor Coleman give two fine addresses in honor of a new public building erected in Sedalia.

Mr. Overton is now in Mexico, Mo., where he as well as the editor of the News has a host of friends. He is loud in his praise of Missouri hospitality and declares that Missouri fried chicken is hard to beat.

Mr. Overton says he will make it a point to get home in time to vote for Bell for Governor and for E. D. Good for Assemblyman.

WHAT OUR NEIGHBORS ARE DOING.

It seems that Glendale and its surrounding foothills are appreciated best by large realty operators whose wide experience in the business and a thorough knowledge of Los Angeles and its environs qualifies them to pass judgment on the merits and value of our district.

Here is Sagamore adjoining us on the south, with a scheme of improvement that represents the expenditure of a hundred thousand dollars before the public is invited to take a nibble—working jointly with friendly interests now developing Berkshire Hills. Just south of Sagamore they have combined on a water system providing one hundred inches of water, and this involves pumping to a central reservoir sunk into a Sagamore peak at 903 feet, and thence in high pressure piping to Berkshire Hills at 850. Here is a little item of $25,000 in a water plant about which nothing much is said. In short, with the cost of land, elaborate street work and contour roads, water system, etc., here is an investment at our door of $200,000, and this by men to whom real estate operations is an exact science, who understand every factor involved in so large an undertaking, and whose knowledge and nerve is backed by the money to carry the project to a conclusion.

These are pretty good neighbors for Glendale.

M. E. CHURCH NOTES.

The Sunday school was just 100 larger last Sabbath than when organized, there being present 135.

Epworth League was wisely led by the president. There was a full attendance with splendid interest. The pastor has been asked to lead next Sabbath evening.

Two large congregations greeted the pastor last Sabbath and a good day was experienced. The singing was very helpful.

Three persons united with the church by letter—Mrs. Laura M. Wood and son and daughter, Wm. L. Wood and Lilly D. Wood.

November 4th will be "old people's day" at 11 o'clock. All the older people are requested to arrange to attend and enjoy the services as they were conducted 50 years ago.

On November 18th Miss Nellie Sanborn will be with us and remain for some time to assist in revival meetings.

The Bible studies, conducted by Dr. Horton of Los Angeles on each Wednesday afternoon at 2:30 are attracting the attention of many and are open to all. They are union meetings. Come.

The trustees have arranged for a sidewalk on the east side of the church and Mr. Burt Reynolds is doing the work.

A furnace will soon be placed in the basement of the church and will be a greatly added comfort for the winter.

The Highland Park M. E. Church folks are soon to build a $10,000 church and are to construct on the same plan as ours; quite a number of their people have been over to see our church and express themselves highly pleased with it.

The home prayer meeting at Mr. and Mrs. Newhall's on Maple avenue on Wednesday evening was well attended and of unusual interest.

BURBANK.

Mr. and Mrs. Tom Story, Walter and Henry returned home Thursday from Inyo, where they have been absent for a number of months. Mr. Story brought down with him over 50 head of horses.

J. L. Robinson, George Thedaker, Will Ludlow, W. J. Ludlow, Ray Sence, Harry Ludlow, Ray Ludlow and Jud Shelton enjoyed a hunting trip to San Fernando on Monday.

A. Kendall returned home on Wednesday last from Chicago, where he has been buying goods for Wood and Kendall.

Mrs. Boyd of Los Angeles is the house guest of Mrs. O. J. Stough.

Mr. E. Copleman left Monday for Nebraska for a visit with relatives.

John Stout of Los Angeles has purchased the Woodruff place. Mr. and Mrs. Stout will take possession at once.

Mike Groshong, who has been visiting relatives in Wisconsin, has returned home.

Mr. and Mrs. Charles Fisher spent Sunday at Long Beach.

Mrs. Esther Hoist returned home Sunday after an absence of a couple of months' visit with friends and relatives in Wisconsin.

Mr. and Mrs. Chas. Pogue entertained relatives from Riverside the first of the week.

Rev. D. H. McCunn and D. H. Dunning departed Wednesday for San Francisco where they are to attend the Presbyterian Synod.

Rev. and Mrs. John Avery of the Methodist Episcopal Church were tendered a reception by members of the congregation and other friends at the parsonage Tuesday evening. The congregation and citizens of Burbank are congratulating Rev. and Mrs. Avery upon their return to the town.

LOST—A Maltese Angora cat. About six months old. Had a white breast, four white feet and a pink nose. Reward. Apply at Postoffice.

HIGH SCHOOL NOTES.

The literary society is to begin active work soon.

Miss Duncan of Eagle Rock will soon move to Los Angeles where she will continue her high school work.

The athletic association has started a movement to keep the courts and equipment in better condition.

Miss Flood and Miss Warner entertained a small company of lady friends at the home of Mr. John Moyse, Tuesday evening.

Next Friday afternoon at the close of school the Brownsberger Home School girls will meet our girls' basket ball team on high school court.

At their last meeting the board of trustees ordered the construction of additional shelving for the library and new cases and tables for the laboratory.

Saturday last at 3 p. m. San Fernando High School basketball team met the home boys for a practice game. Glendale won by a score of 45 to 33 in one of the cleanest games of ball ever played on this court. Though our team is new to the game they are getting hold of the fine points rapidly and the present prospect is for a very successful season. Let the students and citizens give them their hearty support. A winning athletic team advertises the school and city as much as anything.

The team that won the game Saturday was composed of Stine, Cornwall, Lehman, Clarence Emery, and John Smalley.

RESOLUTION NO. 33.

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE ORDERING CERTAIN WORK TO BE DONE ON A PORTION OF GLENDALE AVENUE.

The Board of Trustees of the City of Glendale do resolve as follows:

SECTION 1: That the street work herein described is required for the public interest and convenience and the Board of Trustees of the City of Glendale, State of California, hereby orders the same to be done according to the specifications and plans adopted for said work and under the direction and to the satisfaction of the Superintendetn of Streets of said City, to-wit:

FIRST: That, that portion of Glendale Avenue, in said City, from the South line of First Street to the North line of Sixth Street, including all intersections of streets (excepting such portion of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon), be graded, oiled and surfaced with tamping roller in accordance with the plans and profile on file in the office of the City Engineer, and specications for the construction of graded, oiled and surfaced streets with tamping roller on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 4.

SECOND: That a cement curb be constructed along the West line of the roadway of said Glendale Avenue from the South curb line of First Street to the North curb line of Sixth Street, and also, along the East line of the roadway of said Glendale Avenue from the South curb line of First Street to the North curb line of Fifth Street (excepting along such portions of the line of said roadway upon which a cement curb has already been constructed), in accordance with the Specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 2. Provided, however, that said curb along the west line of said roadway shall be placed ten feet from the Westerly property line, and that said curb along the East line of said roadway shall be placed ten feet from the property line from the South curb line of First Street to the angle in Glendale Avenue between Second Street and First Street where said curb shall be intersected by a curb already laid and accepted. And that said curb along the East line of said roadway shall be placed two feet from the property line from the South curb line of Second Street to the angle in Glendale Avenue immediately North of Fifth Street where said curb shall intersect a curb to be placed ten feet from the property line from said angle point to the Northerly curb line of Fifth Street. All of said curbs to be placed as shown on the Plan of Glendale Avenue from First Street to Sixth Street on file in the office of the City Engineer, and designated as Map No. 7622.

THIRD: That a cement sidewalk six feet in width be constructed along the West side of Glendale Avenue from the South curb line of First Street to the North curb line of Sixth Street (excepting such portions of the said West side of Glendale Avenue between said points along which a cement sidewalk six feet or more in width has already been constructed) in accordance with the Plan of Glendale Avenue from First Street to Sixth Street on file in the office of the City Engineer, and desiganted as Map No. 7622, and Specifications for cement sidewalks on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 1; except that said sidewalk shall be six feet in width instead of five feet in width as mentioned in said Specifications.

SECTION 2: The Glendale News, a weekly newspaper of general circulation, published and circulated in said City of Glendale, is hereby designated as the newspaper in which this Resolution and notice of said street work inviting sealed proposals shall be published in the manner and form and by the persons required by law.

SECTION 3: The City Clerk of the City of Glendale is hereby directed to post conspicuously, for five days, on or near the chamber door of the Board of Trustees, in the manner and form required by law, a notice, with specifications, inviting sealed proposals or bids for doing said work; and said City Clerk is hereby directed to publish for two days in said newspaper hereby designated for that purpose as aforesaid, in the manner and in the form required by law, a notice of said work inviting sealed proposals or bids for doing said work and referring to the specifications posted or on file.

Said notice shall require a certified check or bond, either as prescribed by law and for an amount not less than ten per cent of the aggregate of the proposals; said City Clerk is also hereby directed to publish this resolution for two days in the manner required by law, in said newspaper designated for that purpose as aforesaid.

Adopted and approved this 10th day of October, 1906.

(SEAL) WILMOT PARCHER,
President of the Board of Trustees of the City of Glendale.

Attest:

G. B. WOODBERRY,
City Clerk of the City of Glendale.

STATE OF CALIFORNIA, }
CITY OF GLENDALE, } ss.

I, G. B. WOODBERRY, City Clerk of the City of Glendale, do hereby certify that the foregoing resolution was duly passed by the Board of Trustees of the City of Glendale, State of California, and approved by the President of said Board at a regular meeting thereof held on the 10th day of October, 1906, and that it was passed by the following vote:

Ayes: Anderson, Fanset, Jennings, Parcher, Watson.

Noes: None.

G. B. WOODBERRY,
City Clerk of the City of Glendale.

24-2t

NOTICE OF PUBLIC WORK.

PUBLIC NOTICE IS HEREBY GIVEN, that, at its meting held on the 12th day of September, 1906, the Board of Trustees of the City of Glendale adopted a Resolution designated as Resolution of Intention No. 27, declaring its intention to order the following improvement to be made, to-wit:

SECTION 1: That the public interest and convenience require, and it is the intention of the Board of Trustees of the City of Glendale to close up, vacate and abandon for alley and street purposes all that portion of an alley of the City of Glendale described as follows, to-wit:

All of that portion of the alley 20 feet wide extending Northerly and Southerly in Block 3 of the Town of Glendale as per Map thereof recorded in Book 21, Page 96, Miscellaineous Records of Los Angeles County, lying Northerly of a line drawn 20 feet Northerly from and parallel to the Southerly line of Lot 30 of said Block 3 of the Town of Glendale and prolonged Westerly across said alley.

SECTION 2: That the exterior Southerly line of Lot 30 of said Block be affected by said work or improvement and to be assessed to pay the damages, costs and expenses thereof are hereby specified and declared to be as follows, to-wit:

Beginning at the Southwest corner of Second Street and "D" Street, thence Southerly along the Westerly side of "D" Street to the Northerly side of Third Street, thence Westerly along the Northerly side of Third Street to the Easterly side of Glendale Avenue; thence Northerly along the Westerly side of Glendale Avenue to the Southerly side of Second Street; thence Easterly along the Southerly side of Second Street to the place of beginning.

Reference is hereby made to said Resolution on file in the office of the City Clerk of said City of Glendale for further particulars.

F. R. SINCLAIR,
Street Superintendent of the City of Glendale.

IMPORTANT FACTS FOR VOTERS' CONSIDERATION.

From the Santa Monica Outlook of October 17, 1906:

THIS TELLS YOU "WHY NOT."

"I have been the friend of the small taxpayer and wage earner" is the stock argument of Ben E. Ward, Independent candidate for the office of county assessor.

Mr. Ward claims that he has antagonized the corporations of this county in his efforts to protect the "small taxpayer and wage earner," but so far Mr. Ward has refrained from giving figures of record in support of his contention.

Mr. Ward and his friends assert that the Southern Pacific Railroad company has contributed $150,000 to be used as a corruption fund on election day to secure his (Ward's) defeat.

The object of Mr. Ward's friends in making this absurd assertion is to, if possible, direct attention away from the record which Mr. Ward's assessments of corporations reveals.

Facts of Record.

The following figures were taken from the assessment rolls of the county for the year 1906, on file in the office of Ben E. Ward and from the assessment rolls in the office of the city assessor, both of which are public property and open for inspection by any citizen or taxpayer.

The assessment rolls made up by Ben E. Ward show that Ben E. Ward in assessing the real estate owned by the Southern Pacific Railroad company, within the City of Los Angeles, saved to the corporation $262,275.

In plain English, Mr. Ward discriminated against the "small taxpayer and wage earner", in favor of the corporation which he is now denouncing—for votes.

The exact figures of record, as found in the assessment rolls in Mr. Ward's office, are here given, together with the assessment made by the city assessor.

	Ward's Assm't.	City Assm't.
Southern Pacific R. R. Shops and 129 acres of land on Alhambra avenue, east of river	$269,136	$402,750
Freight Depot Tract, Lot A	69,225	146,000
Freight Depot Tract, Lot B	11,325	22,500
Freight Depot Tract, Lot C	No Assessment	5,000
Freight Depot Tract, Lot D	3,925	9,500
Freight Depot Tract, Lot E	2,500	6,000
7.86 acres Macy and Alameda streets (S. P. Co.)	39,500	55,000
Property at Fourth and Central (S. P. Co.)	22,865	34,000
Total	$418,475	$680,750

Particular attention is called to the fact that Mr. Ward failed to find and allowed to escape taxation "Lot C" in the depot tract, which was assessed by the city assessor at a valuation of $5,000.

Just how or where the "small taxpayer or wage earner" benefited by this sample brick of discrimination in favor of the Southern Pacific Railroad, Mr. Ward has neglected to explain.

The closer Mr. Ward's assessment rolls are scrutinized, the clearer stands out the fact that Mr. Ward has been the friend of the corporations and in no sense the enemy.

For example, Mr. Ward's assessment of the realty owned by the Pacific Electric Railway and the Huntington Land Company reveals the fact that Mr. Ward discriminated against the "small taxpayer and wage earner" in exact figures, in the sum of $370,010.

The exact figures as taken from the records in Ben E. Ward's office and in the office of the city assessor are here given for the purpose of comparison.

Ward and Huntington.

	Ward's Assm't.	City Assm't.
Pacific Electric Ry. depot and grounds, 6th and Main	$600,250	$854,000
(P. E. Co.) 6th St. Terminal Tract, 4 lots, 6th and L. A. streets	132,000	195,390
Huntington Land Co., southwest corner 9th and San Pedro	24,960	57,400
Northeast corner 8th and San Pedro	17,370	37,800
Total	$774,580	$1,144,590

Minor Corporations.

That Ben E. Ward played no favorites in the matter of assessing corporations is a matter of record fact, which should prove of interest to the "small taxpayer and wage earner."

A comparison of the assessments made by Ben E. Ward, county assessor, and Evan Lewis, city assessor, will be interesting reading for Mr. Ward's enemies (?), the corporations.

Figures of Record.

	Ward's Assm't.	City Assm't.
Farming & Milling Co.'s land, Commercial and Alameda streets	$31,740	$45,000
J. M. Griffith & Co.'s land, 4 acres land east of Alameda street	18,750	30,000
Kerckhoff-Cuzner Mill & Lumber Co., N. E. corner Macy and Alameda streets	13,100	23,000
Rosedale Cemetery, Pico Heights	38,750	76,000
L. A. Ice & Cold Storage Co.'s land corner 4th and Central avenue	18,000	38,000
Chutes Park, Main and Washington streets	90,000	137,470
Southeast corner 3rd and Central avenue	48,525	87,000
Wm. H. Perry Lumber Co.'s land, corner 5th and San Pedro streets	50,000	115,000
L. W. Blinn Lumber Co.'s land, N. E. corner 3rd and San Pedro streets	37,000	80,000
Union Hardware & Metal Co.'s land, N. W. corner 1st and Alameda streets	62,400	100,000
L. A. Gas and Elec. Co.'s leased land, 4 acres north side of Macy street, west of Santa Fe R. R.	3,900	15,000
Stern & Co.'s land, 18.46 acres, north of Macy, east of the river	9,750	18,460
Total	$421,915	$764,930

If reasonable explanation can be furnished for this manifest discrimination on the part of Ben E. Ward in favor of the corporations, the "small taxpayer and wage earner" will be only too willing to be enlightened.

If the city assessor found $363,015 more value than Ben E. Ward discovered, who benefited by Ben E. Ward's discrimination? Certainly not the "small taxpayer and wage earner."

As a mattter of fact, Ben E. Ward is making his Independent campaign for re-election along circus and sideshow lines. His billboard posters appeal for votes on the sole argument of "Why Not." The thoughtful voter can easily answer that question from the above facts and figures. 25 1t

MR. AND MRS. J. M. BANKER ATTEND SUPREME COURT OF FORESTERS.

Mr. and Mrs. J. M. Banker returned from Santa Barbara on Friday evening, October 12th, after spending an eventful week in that romantic and interesting city. Mr. Banker went as delegate to attend the Supreme Court of Foresters of Southern California. One of the pleasant features of Santa Barbara during the convention was the opportunity to visit the warships there, as the Pacific squadron was in the harbor under command of Admiral Swinburne. The Foresters' high court held a business session on October 11th, Thursday. Many very important matters were discussed and disposed of and officers elected.

Delegates feel that the convention has been successful in every way. Dr. Johnston of Los Angeles was elected high chief ranger. He has always been an active Forester.

The ball which followed at the Potter was a brilliant affair. Invitations had been extended to the naval officers of the fleet. They in uniform, the Royal Foresters dressed in all the glory of their gold braid and brass mountings, and the ladies in handsome gowns, made the fine ballroom present a picture full of color and interest. A special feature of the evening was the Spanish dances which were repeatedly given by request. Before the opening of the ball the guard of honor of Companion Court of Los Angeles, consisting of fifteen ladies, gave an exhibition drill which was enthusiastically applauded. In their neat and attractive uniforms of white and blue this drill corps performed a number of beautiful evolutions, which for military precision and snap, could not be excelled. Among the figures presented were the Foresters' cross, an anchor, and the letters of the order.

Among other attractions offered was a game of football between the crews of the different ships.

Fashion set its approval on this contest. The grand-stand was decked with flowers and bright flags, and the band from the flagship furnished the music. The mayor gave the winners a splendid trophy.

Then there were drives along the Esplanade Del Mar, along the famous "high road," visits to the warships, the grand parade, and altogether, between sight-seeing and real work, the delegates hardly found time to enjoy their pillows.

CLUB NOTES.

The annual meeting of the Los Angeles District Federation of Woman's Clubs, over which Mrs. Oliver Bryant presides, will be convened November 21 and 22 in the Ebell club rooms. Following are the names of officers of the Federation: President, Mrs. O. P. Bryant; recording secretary, Mrs. Frank Hyatt, of Pomona; corresponding secretary, Mrs. R. W. Pridham, of Pasadena; treasurer, Mrs. W. H. Johnson, of Los Angeles; and Mrs. E. B. Root serves as auditor. Clubwomen will please remember the dates.

Mrs. Sadie Hawley of South Pasadena is visting Miss Mary Blackburn at her home on O street. Mrs. Hawley hopes to interest parents here in kindergarten work and will address the Tuesday Afternoon Club to that effect.

Mrs. J. C. Sherer started the first of the week for Maine, to visit an aged aunt, her only near relative living. Mrs. Sherer's stay in the east depends upon circumstances, and therefore her return is indefinite.

Miss Rachel Sherer will soon return to her home in Glendale, as she starts for the west this week. Since April she has been visting friends and relatives in Pennsylvania and Maryland.

It was with some surprise that Mrs. Elias Ayers received a much belated letter from her husband this week stamped "Missent to Honolulu."

BIRTHDAY SURPRISE.

An affair that will long be remembered among the young people in social circles was the birthday surprise party give to Miss Ethel Nelson, Monday evening, Oct. 15th, the occasion being her sixteenth birthday. About thirty frends responded to invitations and the merry crowd were satisfied with the complete surprise of their unsuspecting hostess. During her absence in the earlier part of the evening, the pretty home had been hurriedly decorated with flowers. Chinese lanterns added an attractive feature and furnished light on the porch and lawn. Games such as young people enjoy were indulged in, and the ice cream, cake and candy served were a welcome addition to the evening's pleasures. Miss Ethel was the recipient of many lovely gifts and altogether it was declared an immense success. Tired and happy, the departing guests offered many congratulations to the sweet hostess, wishing her many, many more birthdays as happy as this one had been.

WOMAN'S MISSIONARY SOCIETY.

A very important meeting was held on Tuesday afternoon, Oct. 16, at the home of Mrs. B. F. Patterson, by the Woman's Missionary Society of the First Presbyterian church.

Mrs. Thompson and Mrs. Ingersoll from Los Angeles were there to present the real state of affairs regarding the Mormons. In a forceful and effective manner Mrs. Ingersoll told of the things she had learned and witnessed during her residence in Salt Lake City. The speaker mentioned the fact that Mormons were working in our own vicinity, and urged the women to remember the necessity of interesting the men on this subject. The lady briefly referred to the pathos of the life of Mormon women and of the difficulty in doing anything for them or their sad-faced children. At the conclusion of her remarks she said that soon the Rev. S. E. Wishard would speak in Glendale of his wide experience in Utah. He will give the political conditions relative to the subject in a way that should rouse every right thinking man and woman to immediate action. All the churches will be asked to unite in their efforts toward having such a meeting as Glendale has never had before, as its political importance cannot be overestimater. A vote of thanks was given Mrs. Ingersoll at the close of her address.

Class Party

The Young Peoples class of the Baptist Sunday school which is taught by Mr. Banker, gave a party at the home of Miss Cora Ward Tuesday evening. The home was decorated for the occasion by the girls of the class with a profusion of roses, carnations and pepper boughs. A game of guessing twenty-five different islands was played. The most interesting feature of the evening was the peanut race in which some very close scores were made. A nursery-rhyme contest was held between sides captained by Garfield Jones and Wilbur McFadden. During the evening a "bean contest" was held in which Wilbur McFadden was the winner. Other games were enjoyed by the party.

At the conclusion of the pleasures of the evening dainty refreshments were served. At a late hour, the guests departed for their homes feeling very grateful to their charming hostess for the pleasant time they had enjoyed. Those present were: Mr. and Mrs. Clifford Mason, Mr. and Mrs. Banker, Mr. and Mrs. Overton, Mr. and Mrs. Ward, Misses Carrie Cornwall, May Cornwall, Florence Ward, Ora Jones, Littell, Stegeman, Cora Ward; Messers Rev. Stone, Garfield Jones, John Fanset, Harry Wilde, Wilbur McFadden, Albert Cornwall, John Wilde, Joseph McFadden, John Ward, Jr. and Albert Marple.

INTERESTING RECEPTION.

Of interest in Presbyterian circles was the reception given on Friday afternoon, October 12th, in the home of Mrs. H. Harris, corner Third and C streets.

The object of the affair was to have local ladies meet the officers of the Woman's Missionary Society of Los Angeles Presbytery. Those officers able to be present were Mrs. R. W. Clelland, president, and Mrs. Murry Harris, recording secretary.

After interesting talks on Presbyterial work by the visiting ladies, dainty cakes were served with tea. The spacious rooms were prettily decorated with exquisite roses. All present declared the afternoon a very delightful one, indeed.

SECOND ANNUAL CHRYSANTHEMUM SHOW.

The Southern California Horticultural Society are planning a great floral exhibit. If the plans which are now made are carried out, the people of Southern California will have the opportunity of viewing one of the most notable flower exhibits ever held in this section of the country.

Growers of chrysanthemums are vieing with each other in their efforts to produce the most beautiful blooms. Blanchard Hall and Symphony Hall, which have been engaged for this exhibit, will be filled with thousands of plants and flowers to please the eye of our enthusiastic admirers. Besides chrysanthemums, there will be an elaborate display of plants and flowers, the carnation exhibit will be one of the best ever shown.

The florists of Southern California have kept pace with the great development in other lines and are producing plants and flowers previously unknown. The advancement in the building of beautiful homes would not be complete without a similar advancement in the floral lot, and it behooves people interested in gardens and flowers to visit this exhibit and keep posted on the many varieties that are now produced here.

The officers of the Southern California Horticultural Society are men well known in Southern California and their interest and effort in arranging the schedule of exhibits assures the patrons of the show that it will surpass any previous exhibit held in Los Angeles.

The exhibition will continue for four days, opening Wednesday evening, October 31st, and continuing day and evening during Nov. 1, 2, and 3.

MR. AND MRS. G. E. WILLIAMS ENTERTAIN.

Friday evening, October 12th, was the time chosen by Mr. and Mrs. G. E. Williams for entertaining a few of their friends in an informal manner at their home on Third street. An endeavor to gather together a number of young people proved quite successful, and the rooms were well filled.

Decorations consisted of masses of lovely scarlet hibisens and graceful greenery, several hanging baskets and numerous candles which lent their soft light toward a general artistic effect. A jolly good time was reported.

WHIST CLUB FOR GLENDALE.

There is talk of organizing a whist club here in the near future; the club to meet during the winter every two weeks at the homes of the different members.

The promulgators of the scheme are sure such a club might be a social success, which would furnish many pleasant evenings throughout the coming season. Already many have expressed their delight at such a prospect, and hope for its success.

NOTICE

The Verdugo Pipe & Reservoir Company, a corporation, organized under the laws of California, place of business or office, in the City of Glendale, Los Angeles County, California, location of property Rancho San Rafael, City of Glendale, Los Angeles County, California.

Notice is hereby given that at a meeting of the Board of Directors of said company, held on the first day of October, 1906, an assessment number five of one dollar per share was levied upon the capital stock of said corporation, payable immediately to the treasurer of said company, at his office at the Bank of Glendale, Glendale, California.

Any stock upon which this assessment shall remain unpaid on the tenth day of November, 1906, will be delinquent and advertised for sale at public auction, and unless payment is made before, it will be sold on the fifteenth day of December, 1906, at ten o'clock a. m., to pay the delinquent assessment, together with the cost of advertising and expense of sale.

By order of the Board of Directors.

G. B. HOFFMAN, Secy.

Dated Oct. 2nd, 1906. 23-4t

LANKERSHIM

S. B. Nobles has had acetaline gas put in his house.

C. A. Frieberg is spending a couple of weeks in the north.

Fred Weddington spent a few days at Catalina the first of the week.

The Fox family of Los Angeles have moved into their recently completed residence on Cahuenga ave.

Quail hunters were very numerous Sunday and Monday, coming by automobiles, carriages, buggies, bicycles, motor-cycles and walking; anyway to get here. Quail are more plentiful this season than for several years and the limit was shot by several.

Last Saturday evening the members and friends of the Methodist Church gave a reception to the new pastor, Rev. E. H. Price, and family, at the home of R. B. Cassels on Central avenue. There was a nice turnout and a most enjoyable evening to all in attendance. After a few games and considerable "visiting," light refreshments were served and everybody departed in the best of spirits.

Actual work has commenced on two new beautiful homes to be erected by old residents of this vicinity. A. J. Gwynn will erect a strictly modern ten-room house that will prove a credit to this community and will be one of our show places, for the gardens and surroundings are to be highly improved. Geo. Chairodit's new home will speak well for the prosperity and productiveness of Lankershim for modern homes of this construction cost money these days. Watch us forge ahead backed by our citizens that have made this country what it is.

Politcs, locally, should commence to interest us. Perhaps you don't know the candidates, so here they are. I. C. Ijams is running for justice of peace on the Republican ticket and C. A. Cartwright for the Democrats. C H.Failor has the honor of being the Republican nominee for constable, while D. R. Fullerton, as a Democrat, wants your vote to help make him constable. Comment is unnecessary as better or truer gentlemen never lived and our community will be in good hands no matter who is elected.

Being that the rush of the harvest days are over and you have a few weeks of nothing much to do, fix up about the ranch. Get out the weeds along the road. Trim up your hedges. Slick up about the barn. Whitewash the outbuildings. This is going to be our big year in getting new settlers and a neat, progressive looking community is going to hold prospective purchasers. No matter if your property is for sale or not, clean up anyway; it may mean a new house on the vacant property next to you. Every improvement enhances the value of your property a little. Do your share in making this an attractive community, please.

Los Angeles city politics should interest us considerably. Each of us have friends in the city that would vote our way and they could persuade their friends to help us out, too, for the large majority of them are with us on the water question. The "dailies" tell us that James Hanley, a good and great man, who has proven time and again that he is a friend of this valley and a man that demands a square deal, is going to run for mayor. If he should be elected you can be assured that he would come to our rescue in this water controversy, for he is thoroughly acquainted with this valley. If he receives the nomination we must, through our city friends, work for his election. Gen. Chas. Forman, a large property owner here and a gentleman that knows it to be a big steal, is spoken of as a prospective councilman. Deputy Sheriff Yonkins, another gentleman that knows the San Fernando Valley ranchers as in the right, wants the councilman job. If we could get the right "bunch" in the City Hall there would be "something doing" and a few of the rotten schemes and schemers would be cleaned out. Publicity and political changes will do more for us than courts. Tell your city friends that these gentlemen have been tried and proven to be for the square deal.

Get Overton Realty Co. to sell or rent your place.

MONTHLY LIBRARY REPORT.

During September the following gifts were received at the Glendale Free Library and Reading Room:

Miss Wilber, three magazines.

Mrs. D. A. Talbott, 82 Century Magazines, 10 Atlantic Monthlies, 12 Review of Reviews, 22 Farm and Fireside, 17 miscellaneous magazines.

Mrs. Pitcher, 72 Saturday Evening Posts, 3 Review of Reviews, 4 Cosmopolitans and 27 miscellaneous magazines.

Mrs. Ronald Beers, 30 Youth's Companions.

Mr. Ellis has given the following largest single collection of books yet received at the library: Harper's Magazine, 5 vols.; Scribner's (bound), 2 vols.; Twentieth Century Encyclopedia, 5 vols.; Chas. Dickens' Works, 15 vols.; Rollins' Ancient History, 1 vol.; Godey's Lady's Book, 1 vol., Four Years in Session, 1 vol.; The Secret Service, 1 vol.; Moore's Poetical Works, 1 vol.; Irving's Works, 2 vols.; The Story of Job, 1 vol.; Bricks Without Straw, 4 vols; A Fool's Errand, 1 vol.; The Revellers, 1 vol.; Story of the World's Worship, 1 vol.; What Can a Woman Do? 1 vol.; Kept for the Master's Use, 1 vol.; The Throne of Grace, 1 vol.; The Sabbath, 1 vol.; Morning Thoughts, 1 vol.; Holy Bible, 1 vol.

Peaches from a friend, 25c.

During September a total of forty-five books and two hundred and eighty-four magazines have been added by gift to the library. One hundred and nine magazines have been issued during the month.

The library numbers one hundred and forty-seven books, besides the set of fifty traveling library books loaned and exchanged by the state. The set, No. 37, now in use, is an exceptionally good collection.

The library membership numbers 115. No fee is charged, but a fine of five cents a day on books kept over the two weeks' limit is imposed on books from the slate and two cents a day on all other literature.

The library has no income except that from subscriptions. No one connected with the library receives any remuneration for services rendered.

A movement is on foot to raise one thousand dollars from one hundred persons giving ten dollars each.

Glendale was represented at the Fourth District Library Association at Long Beach on Friday by the president and secretary of the Glendale library board. Undoubtedly the most important paper of the program was "Reference Work in the Children's Room" by Miss McFadden, librarian at Santa Ana.

The most important action taken by the body was an invitation, extended on motion of Charles F. Lummis, to the American Library Association to hold its next biennial meeting in Los Angeles.

The Long Beach Chamber of Commerce liberally entertained the delegates with a banquet and trip to the breakwater.

LIBRARY SECRETARY.

APPOINTMENT ARRIVES.

Mr. Asa Fanset received from the President on Monday morning, Nov. 15th, his appointment as postmaster.

The new postoffice building is rapidly nearing completion and Mr. Fanset expects to install the office there about November 1st. Mr. Fanset has filed a bond in the sum of $34,000, his bondsmen being a number of his neighbors and there were many others who were willing to go on his bond.

Mr. Fanset's appointment was a very popular and wise one, as he is a man who has the respect and confidence of all who know him, and his having served as postmaster in the east has given him knowledge in relation to the duties of the position, so that he will be able to take hold of the work from the start. Mr. Fanset has able assistants to help him in his daughter, Miss May and sons, John and Will.

The change in postmaster was made without the wrangling that generally accompanies such appointments and it is to Glendale's credit that such was the case.

The Glendale Hardware Co. rent guns and carry a complete line of ammunition and sporting goods.

REPUBLICAN TICKET.

Los Angeles County Election November 6, 1906.

For Superior Judges—Unexpired term, Charles Monroe; long term, Walter Bordwell, Frederick W. Houser, George H. Hutton, W. P. James, James C. Rives.
